PROFILE AND OBJECTIVE

Prospective Computer Science Undergraduate with experience in python, java, web-scraping, and data analytics. Looking to develop new skills, both practical and inter-personal, in a professional workplace environment.

Available for full-time, year-round employment, as I am currently on a gap year before studying Computer Science at university.

EDUCATION

High School Honours Diploma | ACS Cobham International School

2009 – 2021

Graduated high school with an outstanding academic record, achieving 5s in AP Calculus BC, AP Computer Science A, and four other STEM exams. (American qualifications, with 5 being the highest possible score)

Score explanations can be found at: apstudents.collegeboard.org/about-ap-scores/ap-score-scale-table

WORK EXPERIENCE

Math Tutor | Self-Employed

JANUARY 2021 – PRESENT

Tutoring students aged 13 to 16 in mathematics. Requires diligent scheduling, documented write-ups, and strong communication skills. Self-motivation and organisation have been essential and have developed greatly.

Assistant Scoutmaster | Troop 184, Cobham, Surrey

SEPTEMBER 2020– PRESENT

Leadership position in our scouting troop where I regularly help run scouting events, including camping, hiking, backpacking, and other outdoor activities. Involves working with a team of other scoutmasters and requires lots of planning ahead, being pro-active, and alert.

Summer Camp Counsellor | Masquebec Hill, NH, USA

JULY 2019 – AUGUST 2019

Helped organise and run a summer camp for boys aged 10-16. Took lifeguard training, first aid training, and learned to work productively with other counselors and members of staff in an active environment.

SKILLS

- Well-versed in Python and Java
- Web-scraping, data analytics, and Linux
- Microsoft Office, including Excel
- Organisational and communication skills developed through previous work experience

ACHIEVEMENTS

- **National Honour Society**
 - Member of the ACS Cobham National Honour Society, achieved through outstanding academic record and diligent work ethic.
- **1st Place in *4x4 in Schools Land Rover Competition***
 - Team Leader for our team, Environ, in the STEM *4x4 in Schools Land Rover Competition*. This involved managing deadlines and organising workloads for all the members of our team, while simultaneously working on our OpenGL program to simulate 3D environments.
- **Eagle Scout**
 - Achieved the rank of Eagle Scout, the highest award in American Scouting, at Troop 184 based in Cobham, Surrey.
